

Product Information Hospitality Shadings

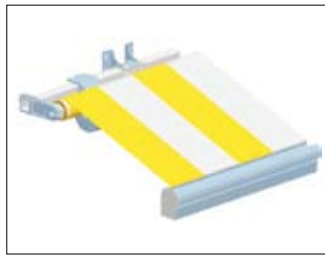

Effective sunscreen
Pleasant climate due to excellent shadowing effect
Easy and simple operation

Large-scale articulated arm awning

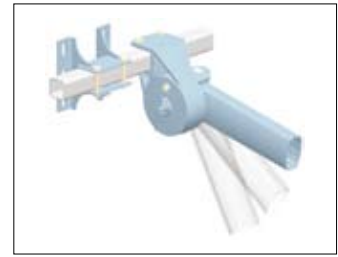

More stable is not possible. The aluminium construction allows for the drawing-out of the awning up to 5.5 m.

In addition, the convenient rain shelter protects against rain and the front tube maintains the tension.

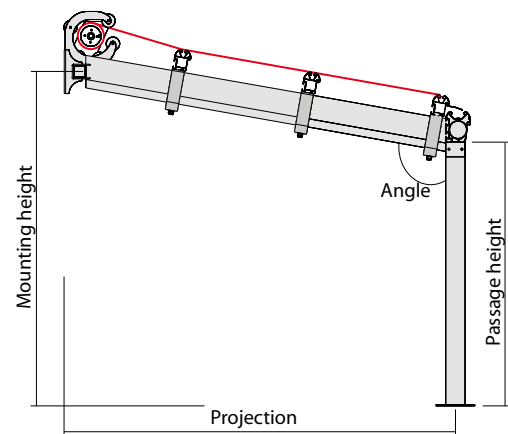

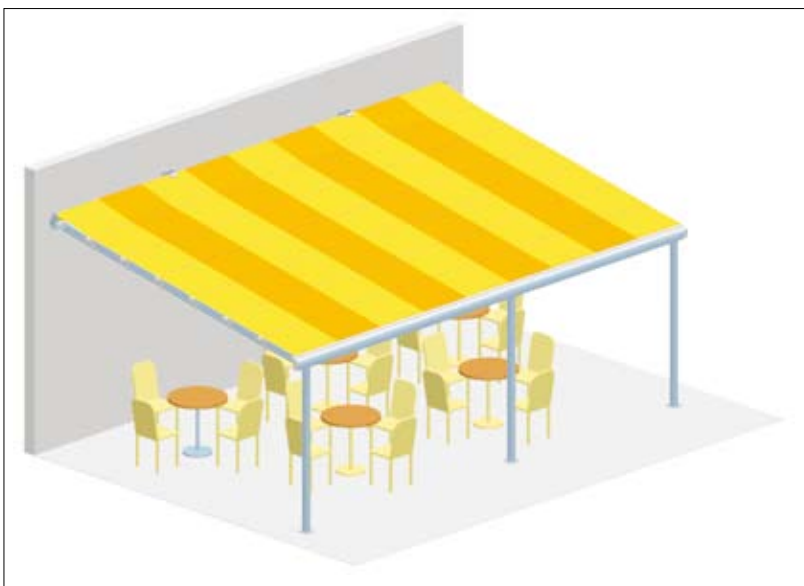

Centre hinge with rust-free axle pin and redirection of the tension chain.

Stable arm bearing with easy inclination adjustment.
